Defense Acquisition Certified

ClinicalRM's infrastructure was built to support government clinical research needs. Our financial systems are DCAA certified, plus, we have secure facilities and FAR / JAR educated contracting and travel departments.

"I have served as the COR working with Clinical Research Management, Inc. for over 6 years. There are a number of criteria that I believe are important for this contractor to be successful:

- Technical Aspects Fulfilled
- Flexibility & Fast Reaction to Changes
- Communication with TPOCs & CORs
- Timely & Cost-Effective Delivery
- Proactive Approach to Disruption
- Understanding & Support for Government Contracting

In all of these areas, I give CRM the highest marks possible. I unreservedly commend CRM."
